.....

Sub: Invitation of quotation for Supply of Truenat COVID -19 test Kits.

Ref: Quotation Notification No. KDL/EQPT/Covid-19/ Truenat COVID -19 test Kits/127/2020-21, dated: 13/10/2020.

- 1) Sealed competitive quotations are invited in two cover system (Technical and Financial Separately) by the undersigned for the following items.

| Sl. | Name of the Item | Specification | No. of Truenat COVID -19 test Kits | Rates per Unit |
|-----|-----------------------------|---------------|------------------------------------|----------------|
| 1. | Truenat COVID -19 test Kits | Enclosed | 100000 | |

Technical Specification for: Truenat COVID -19 test Kits

Truenat Covid 19 should be Chip based Real Time PCR test for both screening and confirmation of COVID 19 disease in single step. It should be semi quantitative detection of SARS CoV-2 RNA in human oropharyngeal and nasopharyngeal swab specimen. The test should detect the E and Orf1a genes of the Covid 19 virus along with Human RNase p gene which act as internal Process Control for proper swab collection, nucleic acid extraction and PCR.

A point of care real time PCR platform offering a complete end to end solution for COVID 19 disease diagnosis with long shelf life of (more than 18 months) of reagents. The test can be ran without requiring any specific infrastructure or skills, all reagents ready to use and ability to store extracted nucleic acids for future Use.

Truenat COVID 19 Micro PCR Chip Kit Comprising of Individually sealed pouches, each containing

1. Truenat COVID 19 micro PCR chip
2. Microtube with freeze dried PCR reagents for performing real time PCR test for detection of Covid 19
3. DNase & RNase free pipette tip
4. Desiccant pouch

Invitation of Quotation for Supply of Truenat COVID -19 test Kits

Technical Specification of Truenat Covid 19 Micro PCR Chip

- Truenat Covid19 Chip should be able to run on the Truelab real time micro PCR analyzer machine with samples extracted using Trueprep auto sample prep device.
- Microchip based real-time PCR assay with Minimal RNA sample requirement @ 6µL.
- The Truenat Covid19 chip should comprise of a reaction chamber containing dried down MgCl₂.
- Truenat Covid19 chip and reagents should be stable at ambient temperature.
- Assay based on Taqman chemistry with high primer sensitivity and specificity
- The dried down PCR reagents should be available in micro tube.
- Truenat Covid19 chip should be smart chip having flash memory to retain information of standard curve values for automatic semi quantitative determination.
- Truenat Covid19 chip should not be available for re-use. The reused and post expiry should be detectable by flash memory.
- The time taken for the diagnostic test result should be approximately in an Hour.
- Truenat Covid19 chip should be amenable for disinfection and disposable as per applicable Bio-medical waste management rules. The chip should not be infective after use.
- Truenat Covid19 chip should function on real time polymerase chain reaction (PCR), test for the detection of Covid 19 in human nasal and throat swab specimen.
- The Truenat Covid19 chip and components should be able to store at temperature (2° to 30°C)

The following components should be provided with the Truenat COVID 19 Chip

A. Trueprep AUTO Transport Medium for swab Specimen Pack

1. Transport Medium for swab specimen tubes contains lysis cum transport medium which makes Sample decontamination at first point of collection
2. Nylon flocked swab

B. Trueprep Universal

1. Containing ready to use buffers for automatic sample extraction
2. Cartridge pack with fluidic cartridge to move sample and buffers through a proprietary matrix for extracting nucleic acids from the samples
3. Disposable transfer pipette

C. Trueprep Universal sample pre-treatment pack containing

1. Lysis buffer to lyse the cells and release nucleic acids
2. Disposable transfer pipette (Graduated)

2) **Delivery Schedule**

| Sl.No | Days | Quantity |
|-------|------|----------|
| | | |
| | | |
| | | |

3) **Quoted Price:**

- a) The quotation shall be submitted in the name of Director KSDLWS, No.1, Dr. Siddaiah Puranik Road, KHB Colony, Magadi Road, Bengaluru – 560079.
 - b) All duties, taxes and other levies payable by the tenderer (including GST) shall be included in the item rate.
 - c) The rates quoted for each item shall be fixed for the duration of the contract and shall not be subject to any adjustment.
 - d) Rates for supply of partial quantity of an item is not acceptable.
 - e) The rates quoted shall be inclusive of supply and installation of the items at various health Institutions across Karnataka.
 - f) Corrections if any shall be made by crossing out, initialing, dating and rewriting.
 - g) Cable or Facsimile quotations are not acceptable.
- 4) Each tenderer must submit only one quotation.

5) **Validity of quotations:**

- a) The quoted rates shall remain valid for a period not less than 30 days from the issue of Notification of Award.

6) **Evaluation of quotations:**

The Purchaser will evaluate and compare the quotations determined to be substantially responsive i.e., which are properly signed, and conform to the terms and conditions and specifications in the following manner:

- a) Technical evaluation will be done by a technical committee and financial bids of only those firms/bidders who qualify will be opened.
- b) The evaluation will be done including all taxes. If the tenderer has not included the taxes in his quotation for the item rate, and has also not indicated the rate of taxes applicable, the quoted rate will be treated as though it is inclusive of taxes and no extra payment for taxes will be made;

7) **Contract:**

- a) Warranty shall be applicable to the supplied goods and services;
- b) Payment shall be made after the delivery of the goods and their acceptance.
- c) Notwithstanding the above, the Purchaser reserves the right to accept or reject any quotations and to cancel the quotation process and reject all quotations at any time of prior to issuing supply order.
- d) Bid inviting authority reserves the right to award a part of the bid quantity to L2, L3 if they match L1 price to ensure early supplies or in case L1 fails to supply the goods as per the delivery schedule mandated in this IFQ.

Invitation of Quotation for Supply of Truenat COVID -19 test Kits

8) Supply Period

- a) The supply shall commence within 2 days of issue of Purchase Order and be completed within 30 days. Else, the Purchase Order remains cancelled.
 - b) The bidder should specify the delivery schedule for the entire Quantity.
- 9) If the supplier fails to supply within the stipulated period her/his order stands cancelled and their SD will be forfeited.

10) Terms and Conditions

- a) Contract to be signed on a Stamp Paper with a minimum value of Rs. 200/-.
- b) Submit copies of latest/Previous Purchase Order/Supply Order received from any State/Union Tertiary/Corporation/Government or Private Institutions supplied for the same items.
- c) Pre and Post Dispatch inspection.
- d) Manufacturing/import license By Concerned Authorities Should be Submitted.
- e) Dealer Should Submit Authorization letter from Manufacturer/ Importer.
- f) USFDA Emergency use authorization/CE-IVD, PAC/ICMR Certificates.
- g) GST Registration of the Firm.
- h) Bidder should have minimum Annual Turnover of 10 Crore and should submit Annual Returns filed for the Preceding Three Financial Years.
- i) Brochures, Certificates and Manuals should be submitted.
- j) 5% of the order value should be submitted as Security Deposit in the form of Demand Draft.
- k) Bidder should specify the quantity available at their disposal.
- l) Quotation processing fee 1000+18% GST should be submitted by Demand Draft (not refundable) drawn in favor of the Additional Director, Karnataka State Drugs Logistics & Warehousing Society (Regd.) payable at Bengaluru or A/c No-1672104000074740, Bank Name-IDBI Bank, Branch Name-Vijayanagar Branch)
- m) Service centre details established in Karnataka.
- n) Warranty for 3 years shall be provided.

11) FALL CLAUSES

- a) The price quoted shall not in any case exceed the maximum wholesale ceiling price (bulk), if any, fixed by the Govt. of India / NPPA / State Government or the Whole Sale price fixed by the bidder for General Market. The Bidder shall mention such fixed rates in the quotation sheet against each item quoted.
